1 Is a repair shop right for you?

Repair shops diagnose and fix vehicles, from maintenance and brakes to engines and collision repair. It suits experienced technicians who price fairly and keep good records.

2 Form the business and register for sales tax

1. Choose a structure. LLCs and corporations file with the Wyoming Secretary of State.
2. Get a sales and use tax license from the Department of Revenue. Repair and alteration services on vehicles are taxable.
3. Check your city or county for local licenses and zoning.

3 Licenses

We found no Wyoming State license for repair or body shops. Check your city or county for licenses and zoning.

4 Sales tax on repairs

Wyoming taxes services to repair, alter or improve tangible personal property, including vehicles. A 2025 bill to repeal this tax died in committee, so collect tax on repair labor as well as parts.

5 A/C work

Servicing vehicle air conditioning for pay requires EPA Section 609 certification.

6 Your first steps

1. Form the business and register with the Department of Revenue.
2. Check local licenses and zoning.
3. Buy insurance and equipment.
