How to become an auto detailer in New York

What auto detailers do, how to learn the skills, and how to find detailing jobs in New York.

Updated 2026-11-21

1 What detailers do

Detailers clean and restore vehicles: hand washing, interior cleaning, stain removal, polishing, paint correction and protective coatings.

2 Skills and training

Most detailers learn on the job or through product manufacturer training. Read product labels and use the right protective gear with chemicals.

3 Licensing

We found no New York license for auto detailers.

4 Find jobs on NCC
