How to become a tire technician in Georgia

What tire technicians do, the skills and credentials that matter in Georgia, and how to find tire technician jobs.

Updated 2026-11-21

1 What tire technicians do

Tire technicians mount, balance, rotate and repair tires and often do basic services such as batteries and wiper blades.

2 Skills and training

Employers look for careful work with lifts, tire machines and torque tools. Correct lug nut torque matters on every job.

3 Licensing

We found no Georgia license for tire technicians.
