Sales and Use Tax Permit

Obligatoria - Estado - Connecticut Department of Revenue Services

Register with the Department of Revenue Services for a Sales and Use Tax Permit before you make taxable sales. The general rate is 6.35%. Permits are valid for two years and renew automatically if your returns are filed. The DMV asks dealers, repairers and recyclers for a copy of the permit.

Tarifas: $100 application fee. Doing business without a permit: $250 penalty for the first day and $100 for each following day.

Collect sales tax on car wash services

Obligatoria - Estado - Connecticut Department of Revenue Services

The Department lists car wash services, including coin-operated car washes, as taxable. Ask the Department how your detailing packages are taxed.

No repairer license for washing and detailing

Obligatorio en algunos casos - Estado - Connecticut Department of Motor Vehicles

Connecticut's repairer license covers repairing, overhauling, adjusting, assembling or disassembling vehicles. Washing and detailing are not repairs; if you also repair vehicles, a repairer license applies.
