Sales Tax Certificate of Authority

Obligatoria - Estado - New York State Department of Taxation and Finance

If you will make sales subject to sales tax, register with the Tax Department through New York Business Express at least 20 days before you begin business and wait for your Certificate of Authority. Display it at your place of business (or in your vehicle if you have no fixed location). The rate depends on the location; use the Department's rate lookup by address.

Tarifas: Operating without a Certificate of Authority: penalty up to $500 for the first day and up to $200 for each later day, up to $10,000; $50 penalty for not displaying it.

Collect sales tax on washing and detailing

Obligatoria - Estado - New York State Department of Taxation and Finance

Car wash services are taxable when your staff wash, wax or vacuum the vehicle or help the customer do it, and detailing performed at least partly by employees is generally taxable. Washes done only with coin, currency or token operated equipment without employee help are exempt. Carpet and upholstery cleaning offered separately from washing or detailing is not taxable.

Products that go to the customer as part of the service (waxes, sealants, tire dressing) can be bought with Form ST-120; soap, towels and equipment are taxable to you.

No DMV repair shop registration for washing and polishing only

Obligatorio en algunos casos - Estado - New York State Department of Motor Vehicles

The DMV's repair shop regulations exclude businesses whose activities consist solely of polishing and washing (and similar simple services). If you also repair vehicles for compensation, repair shop registration applies.
