Requisitos de un vistazo

Form the business and file a trade name certificate if needed

Obligatoria - Estado - Connecticut Secretary of the State; your town clerk

LLCs file a Certificate of Organization with the Secretary of the State (corporations file their own formation documents there). A business using a name different from its owners' names files a trade name certificate with the town clerk, which the DMV asks for on license applications.

Tarifas: LLC Certificate of Organization: $120.

Sales and Use Tax Permit

Obligatoria - Estado - Connecticut Department of Revenue Services

Register with the Department of Revenue Services for a Sales and Use Tax Permit before you make taxable sales. The general rate is 6.35%. Permits are valid for two years and renew automatically if your returns are filed. The DMV asks dealers, repairers and recyclers for a copy of the permit.

Tarifas: $100 application fee. Doing business without a permit: $250 penalty for the first day and $100 for each following day.

DMV repairer license

Obligatoria - Estado - Connecticut Department of Motor Vehicles

It is illegal to repair motor vehicles for consumers in Connecticut without a DMV dealer or repairer license (a class B misdemeanor). Repairers need a building that can take at least one vehicle for repairs, with an office and parts storage, at least one qualified mechanic, a certificate of approval for the location from the town's zoning official, building official and fire marshal, a waste oil tank of at least 250 gallons with a letter from a registered waste oil transporter (or an exemption), an insurance certificate (R1325e), a sales tax permit and a $25,000 surety bond.

Tarifas: $140 nonrefundable application fee; repairer license $340 for two years; plates $140 each plus $5 safety fee (K-36, revision 07-2026).

Labor rate sign, authorization, estimates and invoices

Obligatoria - Estado - Connecticut Department of Motor Vehicles

Post your hourly labor rates on a sign. Get the customer's written or verbal authorization for every repair; give an estimate of the maximum cost for any repair over $50, and get authorization if the cost will exceed the estimate. Give the customer an invoice of the work performed and parts used (CGS 14-65e to 14-65j).

Collect sales tax on repairs and parts

Obligatoria - Estado - Connecticut Department of Revenue Services

The Department lists motor vehicle repair services, including any repair, painting or replacement related to the body or operating parts, as taxable, and motor vehicle storage services as taxable.

EPA Section 609 certification for air conditioning work

Obligatorio en algunos casos - Federal - U.S. Environmental Protection Agency

Anyone who repairs or services a motor vehicle air conditioning system for payment or bartering must be certified by an EPA-approved Section 609 program.
