Requirements at a glance

Sales tax on repair labor and parts

Required - State - Kansas Department of Revenue

Kansas taxes labor to service, repair, alter or maintain a motor vehicle performed in Kansas, so collect state and local sales tax on parts and labor.

EPA Section 609 certification for air conditioning work

Required in some cases - Federal - U.S. Environmental Protection Agency

Anyone who repairs or services a motor vehicle air conditioning system for payment or bartering must be certified by an EPA-approved Section 609 program. We found no Kansas State license for repair or body shops.
