Requirements at a glance

TPT on parts; separate labor

Required - State - Arizona Department of Revenue

In Arizona, repair parts are taxable under the retail classification of the transaction privilege tax (TPT). Repair labor is not taxable if it is separately stated on the invoice and in your books and records; if it is not, the whole charge can be taxable. Cities add their own TPT.

EPA Section 609 certification for air conditioning work

Required in some cases - Federal - U.S. Environmental Protection Agency

Required to repair or service motor vehicle air conditioning systems for payment or bartering. We found no Arizona State license for mobile mechanics.
