Requisitos de un vistazo

General excise tax on repairs

Obligatoria - Estado - Hawaii Department of Taxation

Hawaii's general excise tax applies to the gross income of virtually all business activity, including services, so repair labor and parts are both part of your taxable gross income. The tax is on you as the business, and you may pass it on to customers. The rate is 4 percent for most activities plus any county surcharge.

Repair dealer license that allows mobile repair

Obligatoria - Estado - Motor Vehicle Repair Industry Board

Repairing vehicles for compensation in Hawaii requires a motor vehicle repair dealer license from the Motor Vehicle Repair Industry Board for each repair facility. The dealer must be a licensed motor vehicle mechanic or employ at least one. Licenses renew every two years ($288 for repair dealers). Repair work must be done at the place on the license, and mobile repair facilities are allowed only if the license says so.

Tarifas: $288 renewal every two years
