Sales tax on parts; state parts separately

Obligatoria - Estado - Massachusetts Department of Revenue

Massachusetts treats auto repair as a service. When the parts and materials you transfer are worth 10% or more of the bill, sales tax (6.25%) applies to the whole charge unless you state the price of the parts separately; then only the parts are taxed, not the labor. Items you use up (tape, sandpaper, brushes) are taxable when you buy them.

Division of Standards registration if you repair damage

Obligatorio en algunos casos - Estado - Massachusetts Division of Standards

Repairing damaged vehicles for compensation requires Division of Standards registration with a $10,000 bond. We found no Massachusetts license for mobile mechanical repair and maintenance.

Tarifas: $450 every 3 years.

EPA Section 609 certification for air conditioning work

Obligatorio en algunos casos - Federal - U.S. Environmental Protection Agency

Required to repair or service motor vehicle air conditioning systems for payment or bartering.
