Licencias y permisos de asistencia en carretera en Connecticut

Reglas de reparador, cerrajero, club de autos y grúas para empresas de asistencia en carretera en Connecticut.

Fuentes verificadas el 2026-11-21 - Actualizado el 2026-11-21

1 Las reglas de un vistazo

- Formar el negocio y obtener el permiso del impuesto sobre las ventas
- Las reparaciones necesitan licencia de reparador del DMV; llantas, baterías, focos, plumillas, correas y líquidos no
- Registro de cerrajero para aperturas salvo la excepción de grúas o clubes de autos
- Licencia de club de autos si vendes membresías
- Remolcar necesita licencia de concesionario o reparador y registro de grúa

Requisitos de un vistazo

Form the business and file a trade name certificate if needed

Obligatoria - Estado - Connecticut Secretary of the State; your town clerk

LLCs file a Certificate of Organization with the Secretary of the State (corporations file their own formation documents there). A business using a name different from its owners' names files a trade name certificate with the town clerk, which the DMV asks for on license applications.

Tarifas: LLC Certificate of Organization: $120.

Sales and Use Tax Permit

Obligatoria - Estado - Connecticut Department of Revenue Services

Register with the Department of Revenue Services for a Sales and Use Tax Permit before you make taxable sales. The general rate is 6.35%. Permits are valid for two years and renew automatically if your returns are filed. The DMV asks dealers, repairers and recyclers for a copy of the permit.

Tarifas: $100 application fee. Doing business without a permit: $250 penalty for the first day and $100 for each following day.

Collect sales tax on towing and road services

Obligatoria - Estado - Connecticut Department of Revenue Services

The Department lists motor vehicle towing and road services as taxable.

Repairer license if you make repairs (battery and tire changes excluded)

Obligatorio en algunos casos - Estado - Connecticut Department of Motor Vehicles

Connecticut does not treat changing tires, installing batteries, bulbs, wiper blades or drive belts, or adding fluids as repairing, so those services do not need a repairer license. Repairing vehicles for consumers does. It is illegal to repair motor vehicles for consumers in Connecticut without a DMV dealer or repairer license (a class B misdemeanor). Repairers need a building that can take at least one vehicle for repairs, with an office and parts storage, at least one qualified mechanic, a certificate of approval for the location from the town's zoning official, building official and fire marshal, a waste oil tank of at least 250 gallons with a letter from a registered waste oil transporter (or an exemption), an insurance certificate (R1325e), a sales tax permit and a $25,000 surety bond.

Tarifas: $140 nonrefundable application fee; repairer license $340 for two years; plates $140 each plus $5 safety fee (K-36, revision 07-2026).

Locksmith registration for lockouts, unless an exemption applies

Obligatorio en algunos casos - Estado - Connecticut Department of Consumer Protection

Locksmiths must register with the Department of Consumer Protection. Employees of towing services and employees or representatives of automobile clubs who open automotive locks in the normal course of business are exempt, but only if they do not hold themselves out to the public as locksmiths.
Tarifas: Locksmith registration application: $200.

If you also tow: dealer or repairer license and wrecker registration

Obligatorio en algunos casos - Estado - Connecticut Department of Motor Vehicles

Only licensed dealers or repairers can register a wrecker. See our Connecticut towing guides.

Auto club license if you sell roadside memberships

Obligatorio en algunos casos - Estado - Connecticut Department of Motor Vehicles

Any person or entity that offers the public a membership for a fee covering a period, for services relating to the protection and assistance of automobile owners or drivers (other than insurance), needs a DMV auto club license.
