Kansas roadside assistance licenses and permits

What Kansas requires of these businesses: registration, tax, licenses and the official links to check.

Sources verified 2026-11-21 - Updated 2026-11-21

1 The rules at a glance

- Sales tax registration (repair labor and washing taxable)
- Jump-starts, towing and fuel delivery not taxed when separately stated
- Repairs taxable

We found no state roadside license.

Requirements at a glance

Repairs taxed; towing and jump-starts separately stated are not

Required - State - Kansas Department of Revenue

Kansas taxes labor to service, repair, alter or maintain a motor vehicle performed in Kansas, so collect state and local sales tax on parts and labor. Towing, winching, jump-starting and fuel delivery are not taxable when separately stated.

We found no Kansas State license for roadside assistance.
