Requisitos de un vistazo

Form the business (Department of State or county clerk)

Obligatoria - Estado - New York Department of State; your county clerk

Corporations and LLCs file with the New York Department of State; an LLC files Articles of Organization and then, within 120 days, publishes notice of its formation in two newspapers and files a Certificate of Publication, or its authority to do business is suspended. Individuals or partnerships using an assumed name file a business certificate with the county clerk. The DMV asks facility applicants for the DOS filing receipt or the county business certificate.

Tarifas: LLC Articles of Organization: $200. Certificate of Publication: $50 (newspaper costs are extra).

Sales Tax Certificate of Authority

Obligatoria - Estado - New York State Department of Taxation and Finance

If you will make sales subject to sales tax, register with the Tax Department through New York Business Express at least 20 days before you begin business and wait for your Certificate of Authority. Display it at your place of business (or in your vehicle if you have no fixed location). The rate depends on the location; use the Department's rate lookup by address.

Tarifas: Operating without a Certificate of Authority: penalty up to $500 for the first day and up to $200 for each later day, up to $10,000; $50 penalty for not displaying it.

Sales tax on roadside services

Obligatoria - Estado - New York State Department of Taxation and Finance

Most charges for maintaining, servicing or repairing a vehicle are taxable in New York, and towing or transporting a disabled vehicle is taxable. Ask the Tax Department how each service you offer is taxed.

New York City locksmith license for lockouts

Obligatorio en algunos casos - Municipal - New York City Department of Consumer and Worker Protection

In New York City, DCWP states that you must have a Locksmith license to repair, service, install, inspect, and open and close locks by mechanical means. Ask DCWP whether vehicle lockout service in the city needs this license.

We found no New York State locksmith license. Some counties license locksmiths; ask the county where you work.

If you also tow: tow truck registration, W endorsement and local towing licens

Obligatorio en algunos casos - Estado - New York State Department of Motor Vehicles; New York City Department

Towing adds its own rules: register tow trucks with the DMV, every driver needs the W (Tow Truck) endorsement, and towing in New York City needs a DCWP Tow Truck Company license with insurance minimums. See our New York towing guides.
