Recycler yard rules near highways (moved to the Commission in 2026)

Obligatorio en algunos casos - Estado - Kentucky Motor Vehicle Commission

Recycling yards within 1,000 feet of certain highways used to need a Department of Highways permit unless exempt (for example, industrially zoned). A 2026 law (SB 291, effective April 14, 2026) moved these rules to the Motor Vehicle Commission and replaced the permits with licenses; the same law moved secondary metals recycler licensing to the Commission. Ask the Commission which license your yard needs.

Forklift operator training (OSHA)

Obligatorio en algunos casos - Federal - Occupational Safety and Health Administration

If employees use forklifts, the employer must train and evaluate each operator before they operate one (29 CFR 1910.178(l)).
