Sales and Use Tax Permit

Obligatoria - Estado - Connecticut Department of Revenue Services

Register with the Department of Revenue Services for a Sales and Use Tax Permit before you make taxable sales. The general rate is 6.35%. Permits are valid for two years and renew automatically if your returns are filed. The DMV asks dealers, repairers and recyclers for a copy of the permit.

Tarifas: $100 application fee. Doing business without a permit: $250 penalty for the first day and $100 for each following day.

DMV dealer or repairer license (required to register a wrecker)

Obligatoria - Estado - Connecticut Department of Motor Vehicles

Only a Connecticut licensed dealer or repairer (not a recycler) can get a wrecker registration and plates (CGS 14-66). It is illegal to repair motor vehicles for consumers in Connecticut without a DMV dealer or repairer license (a class B misdemeanor). Repairers need a building that can take at least one vehicle for repairs, with an office and parts storage, at least one qualified mechanic, a certificate of approval for the location from the town's zoning official, building official and fire marshal, a waste oil tank of at least 250 gallons with a letter from a registered waste oil transporter (or an exemption), an insurance certificate (R1325e), a sales tax permit and a $25,000 surety bond.

Wrecker inspection and registration

Obligatoria - Estado - Connecticut Department of Motor Vehicles

Each wrecker must pass a DMV wrecker inspection (no appointment, no fee), where DMV confirms your license, bond and insurance. Register it within 30 days with the passed inspection report (R-294), proof of ownership, and a storage rate form (K-89) on file with the Dealers and Repairers Unit.
Tarifas: Two-year wrecker registration: $125 plus taxes and title.

Maximum rates for non-consensual tows

Obligatorio en algunos casos - Estado - Connecticut Department of Motor Vehicles

For police-ordered tows and tows from private property arranged without the vehicle owner, you may not exceed the DMV's maximum towing and storage rates (Forms K-11a and K-11). The DMV does not regulate rates for tows the owner requests. Proceeds from selling a towed vehicle, after towing and storage charges, must be held for one year for the owner.

Collect sales tax on towing, road service and storage

Obligatoria - Estado - Connecticut Department of Revenue Services

The Department lists motor vehicle towing and road services and motor vehicle storage services as taxable.

CT DOT number and medical cards for heavier wreckers

Obligatorio en algunos casos - Estado - Connecticut Department of Motor Vehicles

The DMV requires a CT DOT number for wreckers with a GVWR or combined GVWR (wrecker and towed vehicle) of 10,001 pounds or more in interstate commerce, or 18,001 pounds or more in intrastate commerce. Operators of these vehicles need valid medical cards.

Name and USDOT number on both sides of the truck

Obligatorio en algunos casos - Federal - Federal Motor Carrier Safety Administration

Vehicles that need a USDOT number must show the carrier's name and USDOT number on both sides, in contrasting letters readable from 50 feet in daylight (49 CFR 390.21).
