## Requisitos de un vistazo

### Form the business and file a trade name certificate if needed

Obligatoria - Estado - Connecticut Secretary of the State; your town clerk

LLCs file a Certificate of Organization with the Secretary of the State (corporations file their own formation documents there). A business using a name different from its owners' names files a trade name certificate with the town clerk, which the DMV asks for on license applications.

### Sales and Use Tax Permit

Obligatoria - Estado - Connecticut Department of Revenue Services

Register with the Department of Revenue Services for a Sales and Use Tax Permit before you make taxable sales. The general rate is 6.35%. Permits are valid for two years and renew automatically if your returns are filed. The DMV asks dealers, repairers and recyclers for a copy of the permit.

Tarifas: $100 application fee. Doing business without a permit: $250 penalty for the first day and $100 for each following day.

### Collect sales tax on wraps

Obligatoria - Estado - Connecticut Department of Revenue Services

The 6.35% rate applies to the retail sale of most goods and taxable services. The Department lists motor vehicle repair services, including painting related to the body, as taxable. Ask the Department how wrap installation is taxed.

### Ask the DMV whether your work needs a repairer license

Obligatorio en algunos casos - Estado - Connecticut Department of Motor Vehicles

A repairer license covers repairing, overhauling, adjusting, assembling or disassembling vehicles. If your wrap work includes removing and reinstalling parts or body work, ask the DMV Dealers and Repairers Unit whether you need a repairer license.

### USDOT number marking on commercial motor vehicles

Obligatorio en algunos casos - Federal - Federal Motor Carrier Safety Administration

Vehicles that need a USDOT number must show the carrier's name and USDOT number on both sides, in contrasting letters readable from 50 feet in daylight (49 CFR 390.21).
