LICENSES, PERMITS & CERTIFICATIONS - NEW YORK

New York vehicle wrap business requirements

Formation, sales tax, New York City and federal lettering rules, and the DMV registration question for wrap and graphics businesses in New York.

Sources verified 2026-11-21 - Updated 2026-11-21

1 The rules at a glance

- Form the business and get a Certificate of Authority
- Collect sales tax on wraps and installation
- New York City commercial vehicles: registrant name and address, three inch characters, both sides
- Federal USDOT marking: name and USDOT number on both sides, legible from 50 feet
- Ask the DMV whether wrap work needs repair shop registration

Requirements at a glance

Form the business (Department of State or county clerk)

Required - State - New York Department of State; your county clerk

Corporations and LLCs file with the New York Department of State; an LLC files Articles of Organization and then, within 120 days, publishes notice of its formation in two newspapers and files a Certificate of Publication, or its authority to do business is suspended. Individuals or partnerships using an assumed name file a business certificate with the county clerk. The DMV asks facility applicants for the DOS filing receipt or the county business certificate.

Fees: LLC Articles of Organization: $200. Certificate of Publication: $50 (newspaper costs are extra).

Sales Tax Certificate of Authority

Required - State - New York State Department of Taxation and Finance

If you will make sales subject to sales tax, register with the Tax Department through New York Business Express at least 20 days before you begin business and wait for your Certificate of Authority. Display it at your place of business (or in your vehicle if you have no fixed location). The rate depends on the location; use the Department's rate lookup by address.

Fees: Operating without a Certificate of Authority: penalty up to $500 for the first day and up to $200 for each later day, up to $10,000; $50 penalty for not displaying it.

Collect sales tax on wraps and installation

Required - State - New York State Department of Taxation and Finance

The Tax Department lists tangible personal property and the service of installing it as taxable. Ask the Department about special cases such as sales for resale.

New York City commercial vehicle name and address display

Required in some cases - Municipal - New York City Department of Transportation

For New York City's parking, stopping and standing rules, a commercial vehicle must bear commercial plates and display the registrant's name and address, permanently affixed in characters at least three inches high on both sides of the vehicle, in a color contrasting with the vehicle, about midway up the doors or side panels.

USDOT number marking on commercial motor vehicles

Required in some cases - Federal - Federal Motor Carrier Safety Administration

Vehicles that need a USDOT number must show the carrier's name and USDOT number on both sides, in contrasting letters readable from 50 feet in daylight (49 CFR 390.21). FMCSA lists New York among states requiring USDOT numbers for intrastate commercial vehicles.

Ask the DMV whether wrap work needs repair shop registration

Required in some cases - State - New York State Department of Motor Vehicles

The DMV's repair shop regulations define repair as any alteration or adjustment to a motor vehicle, and require registration for anyone who repairs vehicles for compensation. Wrap installation is not named among the exclusions. Ask the DMV Office of Vehicle Safety whether your work needs repair shop registration before you open.

Frequently asked questions

Do wrap installers need a license in New York?
We found no license specific to wrap installation. Because the DMV defines repair broadly, ask the DMV whether your work needs repair shop registration.

This guide is general information, not legal advice. Rules change and can depend on your city or county, so confirm with the official agencies linked below before you apply.
